### Dear Sir/ Madam

It is a delight to inform you that, a one day National Seminar on "Innovative Educational Research in Teaching and Learning" is scheduled on 11<sup>th</sup> May, 2019 at our college and you are invited to be connected in the Seminar. We expect your active participation and involvement in the seminar.

### ABOUT THE INSTITUTION

Our College was started in the academic year 2005-2006 by K.K.O Mohamed Ibrahim Educational and Charitable Trust and it is a pioneer institution in the field of teacher education. Our trust has been running B.Ed. Course Since 2005 and M.Ed., Course from 2017. Mr.M.Anwar Kabir, the Chairman has contributed much towards the growth and multi faceted development of this institution along with the support and guidance of his brothers Mr.M.I.Abdul Gafoor correspondent, Mr.M.I.Humayun Kabir Secretary, Mr.M.I.Ahmed Yasin Joint Secretary and one more trustee member Mr.A. Hameed Batcha.

Our Institution has been producing hundreds of teachers as nation builders. Today it has evolved as one of the prestigious colleges of education in Tamilnadu. The college is recognized by the Govt. of tamilnadu, affiliated to the Tamilnadu Teachers Education University adn accredited with 'B' Grade by NAAC.

### OBJECTIVES OF THE SEMINAR

To share the idea and knowledge in Educational Research, Psychology and Technology in Education.

To explore the innovative practices in teaching - learning process.

To emphasise the social and individual well being as aims of education.

### MAIN THEME

Educational researchers play a vital role to make tremendous changes in Teaching and learning process in educational programmes throughout the world. Teaching and learning process have changed over a period of time due to the innovations of technology in education. Researchers in this field are trying to find solutions for existing various educational problems. We hope that, this one day National level seminar plans to expose the global and national level challenges among functionaries and beneficiaries of knowledgeable education in our country. The main idea of this seminar is to share the ideas and the various issues related to educational programme in the present day context.

### SUB - THEME

The Paper presenters could follow the sub-themes of the IERTL-2019 fom their choice of interest.

1. Various Educational innovate methods in Teaching & Learning.
2. ICT based educational methods.
3. Multi disciplinary educational research in teaching and learning.
4. Creative teaching and learning.
5. Educational Management and Administration.
6. Psychology and Education.

### CALL FOR PAPERS

Papers on the above suggested sub themes are invited from academicians, teacher educators, research scholars, students and policy makers. The paper should be original and not have been published previously in any of the publication.

### Note :

1. Participants can present their papers through oral/PPT mode in the Seminar.
2. In case of joint paper, both authors have to pay the registration fee.
